DECLARS

- to have measured, at home, the body temperature of your own child finding that it is below 37,5°C;
- not to know about direct contacts with subjects tested positive for COVID-19 in the last 14 days;
- not to have received any communication from Health Authorities concerning a direct contact of yours with a person infected by Coronavirus;
- to be aware of the obligation to stay at if you are suffering from fever (with a temperature above 37,5°C) or from other symptoms, including, cough, asthenia, myalgia, dyspnea, diarrhea, anosmia, and to have to call, in this cases, your doctor;
- to be aware not to enter or remain at the sport facility and to declare, promptly, if dangerous conditions (symptoms of flue, temperature) exist, even after the entry;
- to inform your own child about all the dispositions to be respected, to wear mask, to keep safety's distance, to respect the rules of hand hygiene and to keep correct behavior concerning hygiene.

Sincerely,

(date and signature)

NOTES

- 1- In the case of minor, the declaration must be filled in and signed by both parents.
- 2- The information will be processed according to UE Regulation n. 2016/679 (general regulation about protection of personal data) for the purposes and methods according to the information pursuant art. 13 of this regulation.
- 3- The subscriber undertakes to communicate, promptly, any changes in his case history to his doctor and must suspend the activity immediately.
